Program Description :	<p>Launch your healthcare career in 18 weeks with a flexible, fully online course designed for busy learners balancing work, family, and life's demands. From day one, you'll get personalized support from experienced instructors, career coaches, and a team dedicated to your success. Learn from home through two live, instructor-led classes each week, featuring real-life simulations and interactive discussions that build practical skills and confidence.</p> <p>You'll gain essential clinical skills like EKGs, phlebotomy, and injections, learn professional patient interaction, and master administrative tasks such as EMRs, billing, and front office operations. The program also covers medical law and ethics to prepare you for your healthcare role.</p> <p>Every learner benefits from a modern, easy-to-navigate Learning Management System (LMS) designed to remove barriers and deliver an inclusive, empowering education for all abilities.</p> <p>As an approved education partner of the National Healthcareer Association, this course prepares you for a highly valued certification exam. You'll finish ready to work confidently in clinics, hospitals, and medical offices. Classes start monthly—begin whenever you're ready.</p>
