Provider Primary Area :	Kent County
Program Locations :	Kentwood Campus
Provider URL :	https://synergywellnessacademy.com
Program Description :	Our program prepares students to become highly skilled, well-rounded massage therapists through an integrated approach to therapeutic bodywork. Our curriculum combines evidence-informed orthopedic assessment and treatment with a holistic understanding of how physical, emotional, psychological, and lifestyle factors influence pain, movement, stress, and recovery. Students develop a strong foundation in anatomy, physiology, kinesiology, pathology, ethics, and clinical reasoning while mastering hands-on skills that create effective, individualized treatment sessions. We emphasize exceptional treatment flow, communication, palpation, body mechanics, and clinical decision-making so graduates can confidently adapt their approach to each client's unique needs. Through extensive supervised clinical experience, students refine their skills treating clients seeking pain relief, injury recovery, stress reduction, improved mobility, and overall wellness. Business training and professional development prepare graduates for careers in healthcare, wellness, sports, spa, or private practice settings. Graduates leave prepared for Michigan licensure and equipped with the knowledge, confidence, and practical skills to become compassionate, in-demand massage therapists who make a meaningful impact in the lives of their clients.
