

Alpha Technical Institute, Inc.

Website Address : <http://www.alphatechschool.com>

Type of Provider : Private For-Profit

Description :

We are proud to present for you our Alpha Technical Institute in the City of Dearborn. We are State Licensed Vocational training center for educational programs that include high tech certifications and classes that provide individuals many choices.

ATI values vocational training and learning. We are dedicated to the students and community education and enrichment. We provide knowledge, communication skills, cultural opportunities, foster critical thinking, creativity, integrity, and self-esteem.

With the vocational training, ATI prepares students for jobs starting with basic computer teaching and ending with high technology certification classes for individuals and groups. Whether they are new to the computer's world or experienced Information Technology professionals.
