

4D Systems

Website Address : <http://www.4dsysco.com>

Type of Provider : National Apprenticeship

Description : Founded in 2010, and is a disadvantaged and minority owned small business based in Flint, Michigan. With sustained annual revenue over \$12 million and 70+ engineers working throughout North America, we are more than capable of effectively managing multi-million dollar projects.

We are an engineering services company that provides automation solutions for our customers in the automotive, government, oil and gas, medical, and many other industries. We are dedicated to providing our customers with innovative solutions to assist them in maximizing their efficiency which in-turn improves productivity and profitability while giving them a competitive edge in the market. We achieve these goals by delivering and maintaining value added world-class process, workflow, asset management, and Product Lifecycle Management (PLM) solutions.
