PES School of Nursing Education LLC

Website Address : https://www.pesschoolofnursing.com

Type of Provider : Private For-Profit

Description : Located in Grand Rapids, Michigan, PES School of Nursing Education is a career-focused training institution dedicated to preparing the next generation of healthcare professionals through flexible, high-quality education. We specialize in hybrid and virtual learning models that combine strong academic foundations with hands-on clinical experience, allowing students to build real-world skills with the convenience of modern learning. Our programs are designed to be accessible, affordable, and aligned with the needs of today's healthcare employers. At PES, we are committed to maintaining high standards, supporting student success, and partnering with healthcare organizations to develop a skilled, reliable workforce.
