PURE MICHIGAN Talent Connect

MICHIGAN TRAINING CONNECT

Center for Medical Training

Website Address : http://centerformedicaltraining.com

Type of Provider : Private For-Profit

Description : CMT offers a flexible, accelerated pathway into the nursing field! Our Nurse Aide Training Program combines 45 hours of convenient online classroom instruction (5 days) with 32 hours of hands-on clinical and practical skills training (4 days). This blended approach allows students to build essential healthcare knowledge while gaining real-world experience and confidence in their skills.

Upon successful completion of the program, students are eligible and prepared to take the Michigan Certified Nurse Aide (CNA) examination, opening the door to certification, employment, and future opportunities in healthcare.
